

Wyoming Electrician eLicense Public Portal

Electrical Safety has moved to an Online Renewal Process:
You do not have to wait for you renewal period to begin to create an account.
Create your ePortal account now!

1. Go to wsfm.wyo.gov
2. Click on "Electrical Safety"
3. Click on the light blue hyperlink half way down the page [Wyoming Electrician eLicense Portal](#)
4. You will be directed to the Wyoming Electrician eLicense Portal Instruction Page.
5. Please READ all the instructions and then click on the [Wyoming Electrician eLicense Portal](#) at the bottom of the page to start the process of creating your account.

You must use the procedure below as we no longer accept mail-in renewals on paper.

They will be mailed back to you!
